

Cardinal Ritter High School  
HONOR AWARDS  
JANUARY 12, 2012

We were very pleased to award Letters of Commendation from the National Merit Scholarship Program to two of our students for their outstanding performance on the PSAT:

Katerina Kaiser & Laura Wilhelm

---

We would also like to acknowledge and congratulate Clare Harshey and Thomas Abraha for their exemplary performance on the PSAT. Clare is a National Merit Semi-Finalist and Thomas is a National Achievement Finalist. They are both continuing in the National Merit Scholarship Competition.

Congratulations!

---

In the 1960's Cardinal Ritter's School Board established a unique student recognition program. A point system was designed to recognize scholastic achievement, athletics, and extra-curricular activities.

Honor points accumulate for each student and awards are presented each semester.
