

# One Date May Save You Thousands When It Comes to Paying for College.

**Do You Know What It Is?  
Don't Miss It.**

By missing the March 10 FAFSA deadline for Indiana students, 27 high school graduates in a county similar to yours and attending a popular Indiana public university in a recent year missed out on over \$100,000 in state grant assistance. Had they filed their forms by the March 10 FAFSA filing deadline, these students would have received an average of about \$4,000 each in state grant money. Don't let it happen to you!
