WRAPPING UP CATHOLIC SCHOOLS WEEK

Dear Junior High Parents,

We were very blessed to have the St. Michael student body join us for Mass on Monday in the gym. Some students were concerned that we would be a little cramped for space, but we still had room for many more.

The teachers would like to thank the Parent Club and those who helped with the Faculty Appreciation Luncheon on Tuesday. The luncheon was quite beautiful, and the food was fantastic.

On Thursday the female faculty defeated the seniors in three games to win the volleyball competi-

tion. We're hoping for a victory from our male faculty Friday afternoon as they compete against the boys in basketball.

Many of you have inquired about the status of the National Junior Honor Society applications. Currently, a council is reviewing the applications. Next week, students will receive a letter letting them know whether or not they have been accepted. Inductions are Tuesday, February 21st at 6:30 p.m. in the Chapel. The ceremony should last approximately half an hour, and there will be a small reception to follow

in the Guadalupe Room.

On Thursday, February 16th, we plan to have a FISH ticket reward for students who have earned two FISH tickets from their teachers. Students can see Mrs. Ramos for an exchange of their tickets for a pass to go to the gym that day during AA.

Finally, we would like to recognize Israel Rodriguez as this week's Righteous Raider. His teachers have been very impressed with his improvement to be a better student. He has shown great care in what he does and is continuing to show improvement on the work he completes.

REGISTRATIONS BEGIN NEXT WEEK

This is a reminder to all seventh grade parents and students that registrations begin next week. Appointments will be held in Mr. Clark and Mrs. Ramos's offices, which are located next to Room 102. Please check your child's appointment date and time and make certain that all pa-

perwork is completed beforehand. If you are not planning to attend your child's registration, then please make certain that your child has his or her folder and tuition deposit the day of registration. Also, be sure to discuss the classes your child would like to take, since Algebra,

Spanish, and French are options for our students. We will also discuss the option of students taking the high school Composition class the second semester of their eighth grade year. In order for students to take this class, they need to be recommended by their teacher.
