

## **SCRIP \$\$\$\$ for Cardinal Ritter High School and You!**

In this 2007-2007 school year, Cardinal Ritter will once again participate in the SCRIP program. The word SCRIP is a term that means “substitute money”. It is a simple way for you, along with Cardinal Ritter, to earn money. SCRIP is also a great way to purchase necessities and gifts without paying the extra dollars most fundraisers require.

Here’s how it works:

- You send in an order form, along with cash or check (made payable to Cardinal Ritter High School) for the face value of the gift certificates being ordered. Turn your order in to the school office by **8am on Mondays**.
- If a retailer that you are interested in is not listed on our order form, simply go to [www.glscrip.com](http://www.glscrip.com), click on “retailers” on the tool bar. If the preferred retailer is listed, hand write this on the order form and your order will be processed.
- Cardinal Ritter High School purchases the certificates from the Great Lakes SCRIP Center at a discount ranging from 1% to 25%. Our discount can add up to lots of earned money for CRHS and YOU!
- The filled order will be returned to you through your student or you may pick it up in the school office. Orders come back in about a week.

### **The savings from the discount is as follows:**

50% of the discount is credited to your name and a running account is kept throughout the year. This can then be applied to any Cardinal Ritter fund of your choice or a student’s tuition for the next school year. You will be asked towards the end of this year where you want your share to be applied. The other 50% goes directly to Cardinal Ritter High School.

If you have any questions please call Laura Mowery at 297-3526. Order forms are available through the school office or on our web site.

*This year we will again have some SCRIP gift certificates on-hand in the school office on a regular basis. These usually include gas, grocery, restaurant, Kohl’s, and Mike’s car wash. You may use a credit card to purchase on-hand certificates!*
