Dear 7th Grade Parents:

As the year quickly draws to an end, I want to tell you how excited I am to have your student here at Cardinal Ritter Junior High School next year. As quickly as this year has gone, I expect the summer will go by equally fast. You will find your summer reading requirements on the website in the event you didn't get one at registration. Please encourage your student to start early. Let me know if you are currently not receiving your newsletter so that we might add you to our list. Please know we are there to assist you in any way that might help you with their middle school journey.

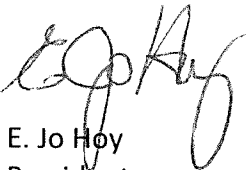

- Summer Reading Material – Please know this is a requirement and student assessment will be due August 21st after only one week of school. Encourage your student to start early.
