

RAIDERS BOOSTER CLUB

Supporting Cardinal Ritter Athletics

Mission Statement:

The purpose of the Raider Booster Club is to foster interest and encourage school spirit while raising funds for our athletic program. Also, to promote interest and enhance good will within a Christian environment toward all athletic activities. The goal of the club is to support athletic excellence while promoting the image of Cardinal Ritter, all within the mission of Cardinal Ritter and the IHSAA.

In the last 5 years the Raiders Booster Club raised money to purchase a tent, wrestling mat, sideline chairs, basketball dry erase board, wall padding in the gym, coaches shirts, football/soccer field benches, swimming and diving training equipment, cross country/track clock, stadium fencing and bleachers, championship patches and championship wall banners. The club gives \$10,000 to Athletic Department needs each year through concessions, rentals, fundraisers and income from the all-sports pass.
