

1, **Washington University** Have you thought about experiencing Washington University in St. Louis this summer? Visit their [website](#) for details about their summer programs for high school students.

2. **Stanford Pre-Collegiate Studies** We are now accepting applications for all Summer 2020 programs! All of the programs below are still available but will be online only! Deadlines for most of our summer programs are in February, with some early round deadlines at the end of January. Admission is selective, and some financial aid is available.

- [Stanford Pre-Collegiate Summer Institutes](#) allows students currently in grades 8–11 to apply to a single-subject intensive course selected from a wide range of disciplines, and benefit from small class size and academically themed residences.
- [Stanford Summer Humanities Institute](#) brings students in grades 10 and 11 together to explore the big questions at the heart of the humanities. Seminars are led by distinguished Stanford professors during this three-week residential program.
- [Stanford University Mathematics Camp \(SUMaC\)](#) students participate in a highly-selective program centered around lectures, guided research, and group problem-solving in advanced math topics. This four-week program is intended for an elite group of talented students in grades 10 and 11.
- [Stanford Pre-Collegiate University-Level Online Math and Physics](#) offers 13 courses throughout the year, including a summer term for high school students, grades 9–12. Students earn Stanford University Continuing Studies credit.

3. **Washington University's** Olin Business School offers an exclusive week-long summer program for women who are eager to learn more about leadership development and opportunities in business.

Applications for the [BOLD@Olin program](#) are now open for rising junior and senior high school students. We hope you will share this information with your students who may be interested.

Students who participate in the program will:

- Participate in a mini-consulting project with a local organization
- Network with successful women in the industry
- Learn from Olin faculty on a variety of business topics as well as leadership development
- Discover the many areas of study available at Olin
- Live on-campus at Washington University with other like-minded women

Program dates are July 12-18, 2020. Visit the BOLD@Olin program [website](#) for more information and application materials. The application deadline is Friday, March 20, 2020 at 11:59 pm CT.

For questions or application information, please contact us at OLIN-BOLD@email.wustl.edu or 314-935-2217.

4. **Notre Dame** Summer Scholars has moved to an online platform for the summer of 2021.

[Musical Theatre](#)

Dive into key aspects of acting technique, scene analysis, musical idiom, movement, and vocal technique as you explore both the creative and analytical processes of musical theatre.

[Christianity and the World Religions](#)

Explore the great world religions from a historical and theological viewpoint, learning basic practices for a greater appreciation of the spiritual paths of other faiths.

[Russia and the West](#)

How do Russians view the West? Consider this complex question with a historical sweep that will range from the reign of Peter the Great (1682-1725) to the era of Putin and Trump.

[Gender and Culture in American Society](#)

Get an introduction to key themes in the interdisciplinary academic field of gender studies, focusing on how gender shapes—and is shaped by—popular and public cultures.

Applications due February 18! Visit our website to learn more

6. **Cornell University** [Summer College Programs for High School Students](#) will be held entirely online this summer. Cornell's Summer College is one of the nation's longest running and most highly regarded precollege academic programs. It brings more than 1,500 motivated high school sophomores, juniors, and seniors from around the world to the Cornell campus in Ithaca, New York to

- Experience the excitement of college life at a great Ivy League university.
- Earn three to six college credits in courses with Cornell faculty.
- Prep for college applications with workshops, one-on-one counseling, and a college fair.
- Make friends from more than 50 countries.

This summer, students can choose from [two-, three-, and six-week programs](#) between June 20 and August 4 in subjects ranging from architecture, business, hospitality, and engineering, to international relations, music, science, social change, and veterinary medicine — and [many more](#).

Most applications are due May 1. For details, visit the [program dates](#) and [deadlines pages](#).

7. **University of Pennsylvania** Penn Summer High School Programs will be offered online this summer. Learn more:

8. **Notre Dame Force for Good** Scholarship Encourage students to submit an entry to the [Force For Good Film Festival](#) for the chance to receive a scholarship to Notre Dame's Summer Scholars program. Created to inspire students to use their cell phones as creative tools, the film festival seeks submissions of short videos with positive messages from high school freshmen, sophomores, juniors, and seniors.

Scholarship Prize

Winners will have their films screened at the DeBartolo Performing Arts Center at the University of Notre Dame, and may be eligible to receive a full scholarship to the Notre Dame two-week residential [Summer Scholars Program \(Film Production track\)](#). * The scholarship winner will be selected from current sophomore and junior entries. *Participants must apply and be admitted to the [Summer Scholars Film Production](#) track in order to receive the full tuition scholarship prize. Summer Scholars applications are due February 18, 2020. Film Festival Submissions are due April 3, 2020.

9. **Savannah College of Art and Design** At SCAD Summer Seminars and SCAD Rising Star, participants can experience all the perks of being a SCAD student — from inspired settings and professional-caliber resources to one-on-one guidance from acclaimed faculty.

Rising Star is a five-week summer program offering current juniors immersion into a creative environment in which they can expand their portfolios and gain college experience. Students enroll in two SCAD courses, which will reward college credit, and engage in activities each week to get to know their peers, explore SCAD and discover alluring city attractions. [Apply today!](#)

Rising Star 2020 dates:

Atlanta — June 20-July 24

Savannah — June 20-July 24

SCAD Summer Seminars offer workshops for high school students who have completed their freshman, sophomore or junior years. Students have an opportunity to develop their creative vision through exciting art and design projects. Students attend two workshops taught by SCAD professors, alumni or select graduate students, and have an all-access pass to the university's extensive resources. [Register today!](#)
